QUESTIONS FOR ORAL ANSWERS

1. Dr. the Honourable Godwin Friday, (Leader of the Opposition) to the Minister of Finance, Economic Planning and Technology:

The report for the 2018 poverty assessment has not been released to the public by the Government but was made public by Members of the Opposition last year. This generated much public interest and discussion. At that time, Members of the Government responded that the report was not yet complete. Will the Minister please state:

- (i) Whether the 2018 poverty assessment has been completed;
- (ii) If it has been completed, when the report will be released to the public and;
- (iii) If it has not been completed, explain why it has not been completed.

2. Dr. the Honourable Godwin Friday (Leader of the Opposition) to ask the Honourable Minister of Tourism, Civil Aviation, Sustainable Development and Culture:

Last year, the Government announced that Virgin Atlantic would begin air service from the UK to SVG by June this year. The commencement date has been pushed back to later this year. Will the Minister please state:

- (ii) whether the government has agreed to pay for seats that are not sold on each flight;

3. Dr. the Honourable Godwin Friday (Leader of the Opposition) to ask the Honourable Minister of National Mobilisation, Social Development, Family, Gender Affairs, Youth, Housing:

The Paget Farm Community Center was built under the NDP Government for use by members of the public for their various activities. Over the years, it has been regularly used for wedding receptions, funerals, church crusades, youth group meetings, Government departments meetings, Red Cross meetings, exercise classes, community concerts and other activities. Several years ago, the ground floor was taken over for use as the police station and more recently, the main floor has been used as the Court house.

Now, construction work has begun to divide the main floor into smaller sections that will make the center no longer usable for the purposes mentioned above. Will the Minister please state:

- (i) How will the remodelled Paget Farm Community Center be used;
- (ii) Whether members of the public will continue to have access to the center for their activities; and
- (iii) How will members of the public conduct the various activities in the community that the center previously accommodated.

4. The Honourable Terrance Ollivierre (Member for the Southern Grenadines) to ask the Honourable Minister of Education and National Reconciliation:

6. The Honourable Major St. Clair Leacock, (Member for Central Kingstown), to ask the Honourable Prime Minister, Minister of Foreign Affairs, National Security, Legal Affairs and Information:

The constituency of North Central Windward which registered 5724 electors in 2005 showed a decline to 5680 in 2020 in contrast to its Northern and Southern neighbours of North Windward from 5481, a lower figure than that of North Central Windward up to 6887, a higher figure than North Central Windward in 2020. Just as South Central Windward with 6173 in 2005 to 6345 in 2020. These eligible registered voters in North Central Windward make it the only constituency that did not increase numerically in 2020 over its 2005 statistic.

- (i) What explanation can be provided for this seeming anomaly or inconsistency;
- (ii) How does this compare with the census data for the intervening years; and
- (iii) In 2005 Polling Station G, Surnames A-I Community Centre Park Hill had a number of 301 registered voters and in 2020, North Windward at Pearl Best Early Learning Development Centre the figure rather remarkably had move by only a single digit of one (1) voter.

Again, how do we explain this rare phenomenon of no movement in a community over 15 years.
